Jesus said: "...I am come that they might have life, and that they might have it more abundantly."  
**John 10:10**

He has given us divine authority over sickness and disease and over all the power of the enemy. Jesus said: "And these signs will follow those who believe: In My name they will cast out demons; they will speak with new tongues; they will take up serpents; and if they drink anything deadly, it will by no means hurt them; they will lay hands on the sick, and they will recover." **Mark 16:17-18**

**What is The Healing Room?** The Healing Room is a place set aside for the sole purpose of administering God's healing. The focus is on the presence and power of the Holy Spirit to work through Spirit-filled Christians to heal the sick.

**Who can go to The Healing Room?** Everyone is welcome to come. Prayer partners will pray for any healing need, whether physical, emotional or spiritual.

**What happens in The Healing Room?** When you arrive, you will sign in and complete a short questionnaire. When your turn comes, you will be invited to a near-by, private room where a team of prayer partners will pray in turn over you, utilizing the information you provided on your questionnaire.
