

Businessmen and businesswomen are at the forefront of God's Kingdom battle. Through Jesus Christ, they have been given dominion and authority in His Kingdom. Businessmen and businesswomen are developers, creators and servants of others; they serve not only to make a living in the secular world, but also to bring about an increase in His Kingdom.

The Lord has allowed business people to influence, control, and to direct His earthly resources. They are to be shepherds, managers and good stewards of all the works of God's hands. The Lord has granted unique gifts and talents to each businessperson that are to be used in His Kingdom.

Kingdom businesses are committed to action in the spiritual battlefields of God's economy. "The sluggard craves and gets nothing, but the desires of the diligent are fully satisfied." (Proverbs 13:4 NIV). To release the daily victory of Christ Jesus in their lives, Kingdom Business leaders are to be diligent, faithful, and wisely use the authority given to them by Christ Jesus.
