### Next Stop - Thailand

Hi Pastor Roger

The last few weeks have been a little crazy. We have been moving around and I (Dustin) took a week to fly back to Davao to Teach in their DTS. But in a few days, we make our big move to Thailand! Read all about it!

### Manila and Laguna

When we flew out of Davao we waited in Manila for our car to arrive via ship. In the wait we got a good weekly promo at a hotel. We got to spend some quality time with Haydee's sister and her family. And we were blessed to attend a Banquet and Awards Night for Michaela (read more latter). After getting our car we drove to Laguna we stayed in Haydee's brother's house. Even though there is a lot of people in a small house, the kids never less love spending time with their cousins and the grandparents enjoy being with grandchildren. Shortly after we moved to Laguna I flew to Davao (on Easter) to teach Discipleship and Mentoring to there Discipleship Training School (DTS). It was

their last week of their school and I was truly blessed to see how God used the DTS to bring change in their lives!

## Michaella's Awards Night

Michaella has been home schooled for the past 3 years. She has been doing well and enjoying learning at home. Last year we changed our curriculum to [School of Tomorrow \(SOT\)](#) since it is in the Philippines and it is easier for us to get the

needed books. But one advantage with [SOT](#) is that they have awards night for homeschoolers. We really didn't know what to expect when we went. But Michaella was really surprised when she received not only honors (for grades above 95%) but also was called for being apart of the 5000 club (which means she scored 100% on more then 50 test). This recognition has given Michaella more motivation to do well in her studies. We are very proud of her!

## Move to Thailand

We are in the last week of our 16 years of service in [YWAM Philippines](#). Honestly there are a lot of mix emotions. We are excited about what God has for us in the future, grateful on how God used us in the Philippines, and sorrow we are leaving a country that has been our home for so long. If God brings it to your heart, please take time to pray for us as we are facing a lot of adjustments in the years to follow.

**Thank you for taking the time to read our newsletter. Also thank you for everyone who supports us financially and prays for us. We could do what we do without you.**

**Please also take some time to pray for us! Check out our prayer request below.**

**My God continue to bring you closer in your relationship with Him!**
