Hi everyone,

We are about to embark on a 12-day trip to the UK and would really appreciate your prayers, as the Holy Spirit leads you!

May 4-6

Ginny will be speaking/ministering at a weekend Women's Seminar for the Living Waters Arabic Church based in west London. We have ministered at this church a number of times over the years but this is the first time Ginny will be ministering directly to the women. The setting is an Arab friend's hotel in Kent on the east coast. Please, if the Lord so leads, would you pray:

- For the physical arrangements
- For an anointing on Ginny's teaching and times of ministry
- A Holy Spirit led 3-days together where lives are not just being impacted but changed for His glory!
- An opening for ZOE courses once again among these hungry, Arabic-speaking peoples

May 12

Then we head for Wales and an all-day ZOE Seminar in Newport on May 12. The morning/afternoon will be specifically designed for the women with times of worship/Word/ministry. The evening session will be open to everyone with worship, testimonies and the Word. The entire day is being designed to hilitate the ZOE curriculum and to draw more people into ZOE classes. Once again, as the Lord leads, we would appreciate your prayers for:

- For all the physical arrangements at our host church, Abundant Life Centre
- That the Lord will draw all those participants whom He wants there
- That any who do not know the Lord will accept His invitation
- For a spirit of unity, peace and love where all are drawn closer to Him and to each other
- For an anointing on the teaching and ministry throughout the day
- That many more churches and fellowships will be inspired to sponsor life-changing ZOE courses
- For all the many ZOE Staff and volunteers who are working so diligently to see that the day runs smoothly!

Thank you so much.

Please feel free to share with us if the Lord speaks to you about these times...or anything for that matter. We always consider it a privilege to be able to pray for you also!!!

Blessings in Him,

**Dick & Ginny**
