Dear FBCI Supporters,

I hope you are having a wonderful new year. Michelle and I are writing to update you on what God has been doing in the last few months. As you know, we moved on from ministry at YWAM Denver in 2009 and partnered with Worship and the Word Movement in pursuing our dream of developing a recording studio and music ministry. Our heart has been to develop and champion musicians and worship artists locally and internationally for many years, and in December 2010 we started Launchpad Studios, a for profit business. We have been so blessed to see the fruition of vision that God gave us come to pass and have worked very hard to develop artists from all over the world just in this first year! I'm excited to announce that we are about to start employing our second part-time engineer, Taylor Maxwell from YWAM Orlando. Taylor and his family have moved to Denver and are raising support to be apart of the studio. We are so blessed to have them on board!

New this year, I have been offered the position of full time worship leader at Faith Bible Chapel's Carr St and I-70 campus and am enjoying developing and leading the worship ministry in this thriving campus. It will be for the first time in our married lives (14 years now) receiving a salary, and our family for the first time has health insurance - Praise God!!!

We continue to be involved with Worship and the Word Movement, Denver's 24hr Prayer Movement, the Third Thursday citywide worship leader pastoral care team, as well as continuing to develop the studio which will, this year, include a non-profit branch. As you can see, we are not dropping the ball on any of our ministry obligations, just adding more consistent income.

Our support through you, our friends and family, has made our life and ministry dreams a reality for so many years. We want to say thank you, and if we could give you all a big hug we would. Know that we are forever grateful, blessed, and overwhelmed by all the generosity poured forth over the years. We will be continuing to raise support for ministry related projects, through Launchpad's non-profit status, but feel that our time of living solely on the gifts and blessing of others is at an end. Thank you for choosing God's highest and best!

With grateful hearts,

John, Michelle, Jocelyn, Jubilee and Jessa Connor
