There Is Always More

I have been in a struggle over my time in life. It is a good "sweet spot" season full of awesome happenings. Yet I am wondering, "Do I have More to Give?" I have come to the conclusion that all of us wonder the same.

It's not just a matter of doing more and giving more but doing our all and giving our all. It's not about 10% but to excel above and beyond.

I was recently struggling in prayer over this and decided it is time to give all that I have and am to the Master. I have discovered something about my journey and the journeys of others. At the end of the day we still have more to give.

I remember preaching in a church many years ago where they were "taking up" an offering for the winter's fuel supply. The plate was passed, not once, not twice, but three times. From my position on stage, I noticed some of the same people had a little bit more to give each time. Do We? Something to ponder....

Right Out of Africa (Literally)

Jack Gaudin, Carl Rogers and his beautiful wife Lani Rogers, have just gotten off the plane bearing "Good News" from the Congo, Rwanda, and Burundi.

- 400 graduates received their diplomas in 4 different graduation ceremonies.
- There were several days of teaching God's Word in conferences and many testimonies, healings, and deliverances.

...and in the Lumonge Prison of Bujumbura (Burundi)...

- 12 prisoners responded to the love of God and accepted Jesus as their Lord and Savior!
- 100 sets of curriculum are being printed for a Bible Training Center inside the prison!
- 200 prisoners were blessed with rice, beans, and soap.

Always Forward

Ethiopia and Tanzania

As you are reading this letter, I am in Ethiopia training leaders in four major locations. On May 2nd, a fresh team will join me in Tanzania to conduct training sessions in four pivotal cities.

Sierra Leone

Recently, Ken Urban put me in contact with three delightful ladies who have a heart for the people of Sierra Leone. We met for lunch and strategized how to train 100 new leaders this fall. Stan Jacobsen also joined us to discuss and help coordinate a building project. How beautiful are the giftings in the body of Christ!

Puerto Vallarta

Lana and I will join Carl and Lani Rogers as they train 30 new leaders in this strategic area of Mexico this June.

Pereira, Colombia

I will be ministering in a Global Advance Frontline Shepherd's conference to over 3,000 attendees. I will also be training more than 1,000 leaders to start Bible Training Centers.

India

Sometime this fall, I will be training leaders in Western India who will start Bible Training Centers.

Conference Leadership Team in Ethiopia

Yes, my friend, my head is swimming but my heart is singing over the goodness of the Lord to allow Joshua Nations, and our supporters, to experience His work in the nations.
